

We represent organizations with diverse lesbian, gay, bisexual and transgender constituencies. Our community has been targets of bigotry, bias, profiling and violence. We have experienced the heart-breaking despair of young people targeted for who they are, who they are presumed to be, or who they love: Rashawn Brazell, Lawrence King, Ali Forney, Brandon Teena, Brandon White, Matthew Shepard, Marco McMillian, Angie Zapata, Sakia Gunn, Gwen Araujo and countless others.

Every person, regardless of race, religion, sexual orientation or gender identity, must be able to walk the streets without fear for their safety.

Justice delayed is justice denied and in the words of Dr. Martin Luther King Jr. "a right delayed is a right denied." We honor Trayvon by seeking justice for all people.
