Participate in a study about **Trans Persons as Students in Nursing Programs** to give a voice to your experiences

- I am looking for trans persons who have been enrolled in a practical/vocational nursing, RN diploma, associate, or baccalaureate (bachelor) degree nursing programs who would like to anonymously participate in individual interviews about their student experiences.
- Participants need to meet the following criteria:
  - Age 19 years or older
  - Currently self-identify as trans
  - Self-Identified as trans while enrolled in a U.S. prelicensure (LPN/LVN or RN) nursing program
  - Enrolled in the prelicensure nursing program for at least one academic term (quarter, semester, or other) any time between the years 2014-2019, including at least one clinical course.
  - Read and speak English
  - Ability to meet with me face-to-face or using Skype videoconferencing for approximately 60-90 minutes.
- Participants will receive a \$5 Amazon e-gift card at the conclusion of the interview, as a token of thanks.
